The obsession of a toxic relationship can have the same enticement as drugs or alcohol. The pattern echoes time and time again: a new significant other draws you into a new relationship that starts off loving and alluring only to develop into a hurtful or abusive cycle. People who have a healthy understanding of “true love” do not tolerate this kind of pain. He or she will move on in search of a healthier bond. It’s an unhealthy view on love that will rationalize the toxic behavior and cling to the relationship long after it should have ended. Like any other addiction, those hooked on a toxic love have no control over excessive urges to text, call, manipulate or beg for love, attention and affection. They want help. They want to end the pain and recover, but it’s just like trying to shake a drug habit. In *Addicted to Pain*, author and relationship expert Rainie Howard reveals the truths every woman needs to heal from a toxic relationship and return to a life rich with purpose and fulfillment. This all-in-one spiritual guide provides daily insight on love addiction and a healing plan to help you recover from the overwhelming effects of a toxic relationship.
