You go to Abu Simbel by car or by air plane - but you can go there by ship also, sailing on the Lake Nasser. From ship you can see a really special sight of the two temples of Abu Simbel, the sight, what the ancient people could see from the Nile. Abu Simbel was built about 1265 BCE and was one of the six rock temples erected in Nubia during the reign of Ramses the Great. The Great Temple was dedicated to the victories of Ramses, the Small Temple was made for remembering to Nefertari, his most beloved wife. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
