The Child Support Enforcement (CSE) Program is a Federal/state/local partnership to collect child support: We want to send the strongest possible message that parents cannot walk away from their children. Our goals are to ensure that children have the financial support of both their parents, to foster responsible behavior towards children, to emphasize that children need to have both parents involved in their lives, and to reduce welfare costs. The Federal CSE Program was established in 1975 as Title IV-D of the Social Security Act. It functions in all states and territories, through the state/county Social Services Department, Attorney General's Office, or Department of Revenue. Most states work with prosecuting attorneys, other law enforcement agencies, and officials of family or domestic relations courts to carry out the program at the local level.
