Medal of Honor, Revised & Updated Third Edition: Portraits of Valor Beyond the Call of Duty Peter Collier

An updated edition of the *New York Times* bestseller, featuring 12 new recipients and a new foreword by Bradley Cooper

Eight veterans from the war in Afghanistan have been awarded our nation's highest honor for valor in combat since the publication of the third edition of *Medal of Honor*, including Edward C. Byers, Jr., the newest living recipient and a member of Navy SEAL Team Six, and Clint Romesha, author of the *New York Times* bestselling *Red Platoon*. And nearly 50 years after their service, four Vietnam veterans have also since received the recognition they so richly deserve. Now these men rightly take their place in the pages of this revised and updated edition.

Included here are 156 Medal of Honor recipients, captured with a contemporary portrait by award-winning photographer Nick Del Calzo and profiled in moving text by National Book Award nominee Peter Collier. The men in the book fought in conflicts from World War II to Afghanistan, served in every branch of the armed services, and represent a cross section as diverse as America itself. This is their ultimate record.
