We've all been there. You've paid good money to have your music professionally recorded, only to have the producer gently point out that you can't play to the metronome. Or maybe, you've started your first band and when a bandmate tries to describe a song's rhythm to you, it sounds like Greek.

Great news! Rhythmic Genius was written to help people just like you. This book will give you a complete understanding of rhythm and how to apply it in your own music.

Through actionable advice, quizzes, and tons of exercises you will learn everything you need to know to become a Rhythmic Genius in your own right.

We've seen the lessons in this book work for tons of our students, firsthand...and we know they'll work for you too!
