SpillWay is the story of one family's journey with God in the world of a Traumatic Brain Injury. Along with offering experiences following their son's brain injury, this true story also offers encouragement to trust God in whatever stormy circumstances the reader finds themselves.

When there is no evidence of what tomorrow holds, the book encourages one to put their trust in the One who holds tomorrow. God is revealed in some of the most difficult times when the answers to your prayers are not the answers you hoped for.

SpillWay is an opportunity to see God as a refuge in times of trouble.
