Binding & Loosing: Exercising Authority Over the Dark Powers K. Neill Foster

"Although the subject is frequently referenced in Scripture, very little has been written about binding and loosing. In this ground-breaking volume, popularly written within an academic framework, Foster traces the history of the doctrine from the Old Testament to the Early Church Fathers, the Reformers and the past 150 years to the present. Thoroughly documented. Generously illustrated." Taken from kneillfoster.com
