Chemistry for Cambridge IGCSE Roger Norris, Roger Standbridge

Endorsed by Cambridge International Examinations, Chemistry for Cambridge IGCSE(R) First Edition is written by a team of experienced authors and examiners, and matches specification 0620. It is ideal for international school students with wide ranging backgrounds, content presented clearly and concisely for accessibility. Features of the text include an exam focus with exam-style questions, activities, case studies, key points & 'Did you know?' sections. Study tips throughout the book address common misconceptions and errors. Topics are presented in an innovative 'lesson on a page' double page spread format, providing all pertinent material and emphasizing the key learning points. Each chapter has a section of exam-style questions, written by an experienced examiner, that closely match papers 1, 2 and 3. Each title has a section which is dedicated to the Alternative to Practical paper. There is also a revision checklist covering the whole syllabus so that students know what they have covered.

So , why hesitate? Let's have Chemistry for Cambridge IGCSE.

Kevin Blais:

As a university student exactly feel bored to help reading. If their teacher asked them to go to the library or even make summary for some book, they are complained. Just minor students that has reading's soul or real their passion. They just do what the educator want, like asked to the library. They go to there but nothing reading really. Any students feel that examining is not important, boring and also can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Chemistry for Cambridge IGCSE can make you sense more interested to read.

Elizabeth Johannes:

What is your hobby? Have you heard in which question when you got college students? We believe that that problem was given by teacher with their students. Many kinds of hobby, Every person has different hobby. Therefore you know that little person just like reading or as reading through become their hobby. You should know that reading is very important in addition to book as to be the point. Book is important thing to provide you knowledge, except your personal teacher or lecturer. You see good news or update concerning something by book. Amount types of books that can you decide to try be your object. One of them is Chemistry for Cambridge IGCSE.
