Science and reading go hand in hand when children dive into these adorable, reproducible mini-books! As they interact with each story, children develop essential science and reading comprehension skills. Rhyme, repetition, predictable text, and strong picture clues help kids understand what they read while learning science concepts and vocabulary. Topics include: animals, weather, plants, ocean life, the five senses, health, the solar system, and more. Includes hands-on practice activities that extend and reinforce learning. Linked to the national and state science standards. For use with Grades K–1.
