## **Including Children with Down's Syndrome in the Foundation Stage (Inclusion)** Clare Beswick

The aim of the Including Children with...series is to equip practitioners and carers with the basic information they require in order to understand particular special needs and respond appropriately to the child and his or her parents. The emphasis is on helping the child to participate as fully as possible in the curriculum, on equal terms with his or her peers. Each book will -Inform you by: Providing essential background information about the particular need; Telling you about the particular learning requirements of children with that need; Indicating further resources and sources of help; Unravelling the complexities of working with a range of different agencies. Support you by: Offering tried and tested teaching tips; Giving advice about working with support staff; Giving practical strategies for differentiation. Inspire you by: Suggesting a range of activity ideas across all the areas of learning; Offering great ideas to help children make a smooth start to education. Make you think by asking: How does it feel to have this need? What's it like to be the parent of a child with this need?
