Powder: The Greatest Ski Runs on the Planet Patrick Thorne

Powder is the definitive guide to the world's top ski and snowboard locations. This comprehensive and visually stunning feast of snow-bound derring-do showcases the very best and most feared descents in the world. Along with classics like Chamonix, Whistler, and Jackson Hole, this book also covers more off-the-beaten-path and exotic locations like the Himalayas, the Atlas Mountains, and the Olympic destination of Socchi in Russia; places that not only stand out for the fantastic skiing, but for the extraordinary scenery found in such uniquely beautiful destinations. Whether you're a serious skier or a novice who's never put on skis in your life, this book will thrill and inspire. With stunning photography and all the information you could need to plan the perfect trip, *Powder* is the ultimate bucket list for any snow sports enthusiast, challenging beginners and experts alike to take on the most breathtaking runs the world has to offer.
