**Return to the Margins: Understanding and Adapting as a Church to Post-Christian America** Terry Coy

Most Christians know that all is not well with America. Every day the church feels pushed further to the margins of society. We are losing status, influence, and certain freedoms. So, what is the church to do?

In *Return to the Margins* Terry Coy explains that the church has historically and globally existed and thrived at the margins. Jesus ministered in the margins of society. The New Testament church grew from the margins. Most of the global church today lives and ministers in the margins. The church in post-Christian America must understand:

- What the new American church will look like
- How to respond when religious rights are taken away
- What the church must do now to prepare for the future
- How life in the margins has historically increased the church's fruitfulness
