**North Korea (Bradt Travel Guide)** Robert Willoughby

A new edition of the first travel guide to cover the practical aspects of travelling to and around North Korea - a country which both intrigues and concerns the international community. Everything a genuine traveller needs is here, including red tape and security issues, access from South Korea and Beijing, routes outwards from Pyongyang, and opportunities for excursions into unspoilt countryside. Altogether a fascinating insight into the culture and history of a country that currently exists in virtual isolation from the rest of the world.
