Picture Lillian Ross, Anjelica Huston

In the spring of 1950, when *New Yorker* staff writer Lillian Ross heard that John Huston was planning to make a film of Stephen Crane's *The Red Badge of Courage*, she decided she would follow the movie's progress "in order to learn whatever I might learn about the American motion-picture industry." What resulted was *Picture*, which *Newsweek* has called "the best book on Hollywood ever published." *Picture* received raves from the worlds of film and literature in equal measure for its unforgettable portrait of the language, the ways, and the preoccupations of Hollywood: Charlie Chaplin called *Picture* "brilliant and sagacious" and legendary editor William Shawn termed it "the definitive book on the Hollywood community." Little wonder, then, that when the Top 100 Works of U.S. Journalism of the Twentieth Century were chosen by the New York University Department of Journalism and a distinguished panel that included David Brinkley, Pete Hamill, Jeff Greenfield, Mary McGrory, and Morley Safer, *Picture* had an honored place on that list.

From reader reviews:

Lynn Gowen:

The book Picture make you feel enjoy for your spare time. You can utilize to make your capable more increase. Book can to become your best friend when you getting stress or having big problem together with your subject. If you can make examining a book Picture for being your habit, you can get more advantages, like add your current capable, increase your knowledge about some or all subjects. You can know everything if you like wide open and read a e-book Picture. Kinds of book are a lot of. It means that, science publication or encyclopedia or other folks. So , how do you think about this e-book?

Sondra Spencer:

This Picture book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book will be information inside this e-book incredible fresh, you will get info which is getting deeper you actually read a lot of information you will get. This kind of Picture without we comprehend teach the one who examining it become critical in thinking and analyzing. Don't become worry Picture can bring once you are and not make your handbag space or bookshelves' grow to be full because you can have it in the lovely laptop even cell phone. This Picture having very good arrangement in word and layout, so you will not truly feel uninterested in reading.

Irma Patterson:

Information is provisions for folks to get better life, information today can get by anyone from everywhere. The information can be a understanding or any news even restricted. What people must be consider any time those information which is inside the former life are difficult to be find than now could be taking seriously which one would work to believe or which one often the resource are convinced. If you have the unstable resource then you obtain it as your main information you will see huge disadvantage for you. All of those possibilities will not happen with you if you take Picture as your daily resource information.

Rose Heck:

Exactly why? Because this Picture is an unordinary book that the inside of the publication waiting for you to snap that but latter it will shock you with the secret the idea inside. Reading this book alongside it was fantastic author who all write the book in such amazing way makes the content inside of easier to understand, entertaining technique but still convey the meaning entirely. So , it is good for you for not hesitating having this ever again or you going to regret it. This amazing book will give you a lot of advantages than the other book have got such as help improving your expertise and your critical thinking method. So , still want to hold off having that book? If I were you I will go to the publication store hurriedly.
