THE SCANDINAVIAN HOUSE Sidney Toombs

Based on true events, The Scandinavian House is an erotic tale that tells the story of a young U.S. Navy submarine officer who finds his darker side during a brief port visit to Valparaiso Chile during a UNITAS exercise in the 1990's. It paints a frank and realistic picture of what went on during port calls and liberty visits by U.S. Navy sailors all over the world and examines the effects of long periods at sea on the sexual and morale attitude of the central character.
