[Menage Amour: Erotic Western Menage a Trois Romance, M/F/M, HEA] When Liza Trent decided to become a mail-order bride out west, she never thought her fiance would die before she arrived, sending her \$500 in debt with the only way to pay off the money by auctioning off her virginity against her will. When she's rescued by two handsome men, she mistakenly thinks they're assassins and makes a pact with them: her body in unconditional surrender for their protection. Only the two men, Apollo Beck and Blue Hawke, aren't assassins. They're Texas Rangers sent after a man who preys on women, and their dangerous hunt has just brought Liza into the line of fire. As they navigate a relationship built between three people, Liza has the difficult decision before her: commit to loving two men or commit to her burning desire to become a doctor...unless she's found and taken for revenge first. Note: There is no sexual relationship or touching for titillation between or among the men. ** A Siren Erotic Romance
