Willa Cather's Modernism: A Study of Style and Technique (The Fairleigh Dickinson University Press Series on Willa Cather) Jo Ann Middleton

Willa Cather's Modernism challenges the assumption that Cather was an old-fashioned exponent of styles of fiction,

demonstrating instead that Cather was clearly aware of the experimentation within the modernist movement. Illustrative

chapters deal with three central novels: *A Lost Lady*, *The Professor's House*, and *My Mortal Enemy*.
