Almost Home Jessica Blank

Why would anyone choose to live on the streets?

There is Eeyore, just twelve years old when she runs away from her privileged home, harboring a secret she's too ashamed to tell anyone. Rusty is a sensitive gay teen who winds up alone when his older boyfriend ditches him in Hollywood. Squid has gone through too many foster homes to count. There's Scabius, a delusional punk from Utah who takes the "me against the world" motto to dangerous extremes. And Critter is a heroin dealer with movie star looks and a vulnerable heart. Laura should be home studying, but she can't face another one of her mom's boyfriends.

And then there's Tracy, the damaged thread that ties them all together, irrevocably changing each person's life she touches.

This unlikely band of characters form their own dysfunctional family, complete with love and belonging, abuse and betrayal. Each will make their way home, wherever it may be.

From reader reviews:

April Little:

The book Almost Home can give more knowledge and also the precise product information about everything you want. Why must we leave a very important thing like a book Almost Home? Some of you have a different opinion about guide. But one aim that will book can give many data for us. It is absolutely proper. Right now, try to closer together with your book. Knowledge or facts that you take for that, it is possible to give for each other; you can share all of these. Book Almost Home has simple shape nevertheless, you know: it has great and massive function for you. You can search the enormous world by start and read a e-book. So it is very wonderful.

Lee Long:

What do you regarding book? It is not important to you? Or just adding material when you really need something to explain what the ones you have problem? How about your free time? Or are you busy man? If you don't have spare time to do others business, it is give you a sense of feeling bored faster. And you have time? What did you do? Everyone has many questions above. The doctor has to answer that question since just their can do in which. It said that about guide. Book is familiar on every person. Yes, it is proper. Because start from on kindergarten until university need this particular Almost Home to read.

Michael Slay:

The book untitled Almost Home is the reserve that recommended to you you just read. You can see the quality of the book content that will be shown to you. The language that article author use to explained their way of doing something is easily to understand. The author was did a lot of analysis when write the book, therefore the information that they share for you is absolutely accurate. You also could get the e-book of Almost Home from the publisher to make you more enjoy free time.

Brian Scheele:

Do you like reading a e-book? Confuse to looking for your best book? Or your book ended up being rare? Why so many query for the book? But virtually any people feel that they enjoy intended for reading. Some people likes looking at, not only science book but in addition novel and Almost Home or maybe others sources were given expertise for you. After you know how the great a book, you feel desire to read more and more. Science e-book was created for teacher or perhaps students especially. Those books are helping them to bring their knowledge. In additional case, beside science guide, any other book likes Almost Home to make your spare time far more colorful. Many types of book like this one.
