Mr. Darcy's Forbidden Love Brenda J Webb

Mr. Darcy's Forbidden Love is a Pride and Prejudice variation. Not a simple retelling, it is an intriguing new story that does not follow canon. It is rated for Mature Audiences. When Fitzwilliam Darcy meets Elizabeth Bennet for the first time, he is already married to another woman. Forced into a loveless marriage, in name only, to the widowed Lady Gisela Grantham because of his father's sins, Darcy is obliged by honour to remain in the marriage to hide a dark secret. That unhappy part of his life, however, is quickly coming to an end as he meets the love of his life in a little known village in Hertfordshire. Mr. Darcy's Forbidden Love is the story of a love that was meant to be—a passion too strong to be denied.
