## **Sanctum of Shadows: The Satanist (Volume 1)** Aleister Nacht

Learning how to become a Satanist is as much about learning 'who you are' as it is learning the magical operations, rituals and practices. You must know yourself and your personal limitations. "Volume I: The Satanist" is the first volume of the "Sanctum of Shadows" series. These volumes represent an intellectual guide to Satanic development in preparation for learning the Higher Magic processes. This volume opens the Satanic Gate and the Satanist's mind; forming the foundation to build upon. This volume also includes very special excerpts from the Satanic Grimoire "Silentium In Persona Diaboli", interpreted and explained in great detail by Magus Nacht. "Sanctum of Shadows Volume I" is an in-depth analysis of required elements enabling the Satanist to understand, develop, implement and succeed in the study and practice of Satanic Higher Magic.
