The Adventures of Alianore Audley

Brian Wainwright

The Adventures of Alianore Audley Brian Wainwright

'Roger wore his collar of golden Yorkist suns to show that he was one of the King's knights, ludicrous piked shoes to show that he was fashionable, and a massive codpiece to show that he had a vivid imagination.' Alianore Audley is a good, submissive, demure woman of the fifteenth century ... and if you believe that, you'll believe anything. But she is a spy in Edward IV's intelligence service, and the author of a chronicle that casts - well, a new light, let's say, on the times of the Yorkist kings. History will never be the same after Alianore. Nor will most other novels. Brian Wainwright's debut novel *The Adventures of Alianore Audley* is a brilliantly funny, subversive spoof.
