Baby of Mine: A Mother's Memory Album for Baby's First Year (Waiting for Baby) Tracey Clark
The first year of a baby's life is a wondrous time, with each day bringing new changes and emotions. This journal goes above and beyond the traditional baby book, recognizing the journey that mother and child embark on together. Guided prompts throughout allow a new mom to record all the precious moments of baby's development, and also to reflect on what these milestones stir within her. There's also room to add pictures and other mementos.
