Cult of the Black Virgin [Paperback] Ean Begg

There are many icons of Mary that show black faces and hands. In France, these are called Vierge Noires-Black Virgins. Elsewhere, may be called Black Madonnas or the "other Mary." Jung called her Isis, while others claim she is the symbolic remains of a prehistoric worship of the Earth Mother. She is generally connected with Cybele, Diana, Isis, and Venus, as well as with Kali, Inanna, and Lilith. Historically she is connected with the Crusades, the Islamic occupation of Spain, the Conquistadors, as well as the Merovingians and Knights Templars, who viewed her as Mary Magdalene. Why are more than five hundred of the world's Madonna images black or dark? Why is so little known about them? Black Virgins-a resurfacing of the powerful pagan goddesses of sexuality, the underworld, and earth wisdom-they are symbols of power and majesty, the other side of the traditional Madonna's virginity or tender maternity. They personify the Holy Grail and the Ark of the Covenant in a quest for lost feminine wisdom and the search for soul. Ean Begg's fascinating book investigates the pagan origins of the phenomenon as well as the heretical Gnostic-Christian underground stream that flowed west with the cult of Mary Magdalene and resurfaced in Catharism at the time of the Crusades, especially with the Templars.

Priscilla Jefferson:

Reading a e-book tends to be new life style in this era globalization. With looking at you can get a lot of information that can give you benefit in your life. With book everyone in this world could share their idea. Ebooks can also inspire a lot of people. A lot of author can inspire all their reader with their story or maybe their experience. Not only the story that share in the guides. But also they write about advantage about something that you need illustration. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors these days always try to improve their skill in writing, they also doing some investigation before they write to the book. One of them is this Cult of the Black Virgin [Paperback].

Nicole Williams:

This Cult of the Black Virgin [Paperback] is great publication for you because the content which can be full of information for you who else always deal with world and also have to make decision every minute. That book reveal it information accurately using great coordinate word or we can point out no rambling sentences inside. So if you are read that hurriedly you can have whole data in it. Doesn't mean it only gives you straight forward sentences but difficult core information with splendid delivering sentences. Having Cult of the Black Virgin [Paperback] in your hand like getting the world in your arm, info in it is not ridiculous one. We can

say that no e-book that offer you world in ten or fifteen minute right but this e-book already do that. So , this can be good reading book. Hi Mr. and Mrs. busy do you still doubt this?
