Have being selfish ever cost you? Do you ever regret being foolishly in love? Why is it that when we know something isn't good for us we indulge until it makes us sick? These are the questions Nivea, Coco, and Brandy ask. Nivea has two lovers and she loves them both the same. No matter how hard she tries to live up to her marriage vows to JayVon Deeds, her desire for another seems to make it impossible. Will Nivea's betrayal destroy her perfect marriage? Some would say that Coco is the baby-momma from hell. She's insecure and quick to fly off-the-handle, but blame it on the man who she's given her all to—TrayVon Deeds. He's disrespectful; he neglects her; and he loves her, but he's not in love with her. He may not have come out and said it, but his actions prove it all. Will Coco get tired of his selfishness, lies, and disrespect, or will she ride until the wheels fall off? Brandy lives to be the best mother she can be to her son. Her desire is to give him what she had as a child—love—and what she didn't have a—two-parent home. She works as an RN for the County of Los Angeles, and she and her baby-daddy live together. Unfortunately, she's a casualty of generational curses; just like her mom, she's in an unhealthy relationship. She can't decide if she wants out . . . Until she meets one of the Deeds brothers, and he begins to remind her of her worth. Will his words of wisdom be enough to make her want out? These three women have different stories; however, they have one thing in common: the Deeds brothers—JayVon and TrayVon.
