Evolution of Consciousness

Rudolf Steiner

Evolution of Consciousness Rudolf Steiner

In these lectures, Steiner spoke in a very direct, comprehensive way about the development of the higher faculties of Imagination, Inspiration, and Intuition. A particularly vivid description is given of life after death and the progress of the individual through the planetary spheres, where tasks and goals for future incarnations are prepared in cooperation with spiritual beings. The lectures culminate in the call for human beings to gradually take their destiny in hand through the conscious and free development of spiritual capacities.
