Fifty-One Tales Lord Dunsany

Fifty-One Tales is a collection of fantasy short stories by Irish writer Lord Dunsany, considered a major influence on the work of J. R. R. Tolkien, H. P. Lovecraft, Ursula LeGuin and others. The first editions, in hardcover, were published simultaneously in London and New York by Elkin Mathews and Mitchell Kennerly, respectively, in April, 1915. The British and American editions differ in that they arrange the material slightly differently and that each includes a story the other omits; "The Poet Speaks with Earth" in the British version, and "The Mist" in the American version.
