Bill Easum and Bil Cornelius are two strikingly different, yet surprisingly similar pastors. One undertook to revitalize a moribund mainline church; the other, to plant a new nondenominational congregation. Coming from different generations, their ministries took place under dissimilar circumstances. Yet both have experienced substantial, even explosive, growth in congregational mission and membership. Along the way they learned some important lessons, such as the centrality of strong pastoral leadership, the need for an unhesitant pursuit of excellence in all areas of the church's ministry, and the requirement that you picture an audacious vision for your church and live into that vision.

Regardless of the current size of your church, you will find here inspiring, ready-to-implement ideas to help your church go BIG.
