Lifeboat Crew Member (People Who Help Us) Rebecca Hunter

This title is part of a series of books explaining the roles of different people who help us everyday in the community. Each book is based on a real person as the reader follows them through a typical day at work—what they do, why, and what people they encounter. We find out the hours they work, what happens at lunchtime, the equipment they use, and what they like about their jobs. Specially commissioned photography and clear text make the books friendly and accessible to young readers, making this a perfect series for introducing young children to what goes on in the world around them, and how different people contribute in different ways.
