Name That Fish! (Guess That Animal!) Santana Hunt

Fish come in all shapes, sizes, and colors. Their fins are uniquely shaped for what kind of swimming they do, and other body parts are adapted to shallow water habitats or life deep in the ocean. Through hints and close-up photographs of one feature of a fish, readers are introduced to many kinds of fish from all over the world. All they need to do is turn the page to find out which fish it is. Full-color photographs highlight the amazing marine environments fish are found in as well as the special parts of each species.
