National Safety Council Injury Facts 2016 National Safety Council

For more than 90 years, Injury Facts has been the complete reference source for safety statistics. Bringing together data from more than 30 different sources, it presents the most current occupational, motor vehicle, home, community, state, and international injury statistics on deaths, nonfatal injuries, and their costs. Look for new data on the costs including government and employer costs, contractor workplace fatalities, cost of consumer product injuries, falls, and home fires.
