Someday We'll All Be Free Kevin Powell

Someday We'll All Be Free is the indispensable and passionate follow-up to Kevin Powell's best-selling essay collection, *Who's Gonna Take The Weight? Manhood, Race, and Power in America*. Here Powell widens his lens and skillfully dissects the dreams of American freedom and democracy in these early days of the 21st century. Be it the reelection of President George W. Bush, the colossal tragedy of September 11th and the policies and wars that have followed, or the historic destruction of the city of New Orleans before our very eyes, Powell tells us the uncomfortable truths about America, his country, and yours, too. These coolly observant essays, quilted together, firmly establish why Powell is widely considered one of America's brightest leaders and thinkers.
