Tales of the Celtic Bards

Claire Hamilton

Tales of the Celtic Bards Claire Hamilton

The ancient Bards encoded their knowledge of the natural world of animals and plants and the power to heal, order and judge into teasing riddles that were told or sung, not written down. They believed they had powers of divination, shape changing and the ability to travel to the 'other world'. Inspiration and vision are the foundation of Celtic myth. Claire Hamilton captures the enchanting and often strange beauty of the tales they told.
