To get your prayers answered you must understand what helps and what hinders. You will find that this will be the most unusual manual you have ever read about prayer. We will deal with many different subjects that affect whether or not your prayer is answered. True prayer must be from the heart, to receive the desired answer you must also live your prayer. This is what "Time To Pray," is dedicated to explaining how you can accomplish this great detail. This manual we have given to you is part of Kingdom of God Fellowship Church's Evangelistic Mission to America: Winning Souls to Jesus Christ. Will you be a part of winning lost souls to Christ and helping Christians to understand how to get all of their prayers answered? There is more to prayer than just bowing your head and saying a few words. "In prayer there is a connection between what God does and what you do." "If you refuse to do your part, you cut yourself off from God's part." Matthew 6:14-15. Throughout this manual, with the help of the Holy Spirit, our heart's desire is to explain to you what "your part" is, and the "connection between what God does and what you do," in getting an answer to every prayer you pray. I assure you, if you willingly read every page in this manual, you will have a clear picture of how it is possible that "you cut yourself off from God's part," and conversely, how to always stay connected to God. Satan, the enemy of your soul, is constantly trying to put negative thoughts of unbelief into your mind and heart, telling you that God is not concerned about your problems. But the truth is, God is always thinking about you and watching everything that concerns you. Remember that with every care you have, whether large or small, God is always ready to answer your prayer and "supply all your need according to His riches in glory by Christ Jesus." Phil 4:19
