Convenient Lies Robin Patchen

What happens when a woman marries her greatest enemy? When investigative journalist Reagan McAdams discovers her new husband Julien is part of a powerful international crime family, she flees Paris with their newborn, returning to her childhood home in Nutfield, New Hampshire. She plans to gather her inheritance, collect her beloved grandmother, and disappear forever. She'll do whatever it takes to protect her son from his criminal father. But when Reagan arrives home, her heart breaks at the news of her grandmother's death. Finding her missing inheritance—hidden somewhere on the property—is as impossible as a second chance with her former boyfriend, Brady. Reagan's feelings for Brady are stronger than ever, but when Julien's people harm innocents to smoke her out, Reagan must make a choice. What—and who—will she have to sacrifice to save her son?
