Team Spirit: Life and leadership on one of the world's toughest yacht races Brendan Hall

The Clipper Round the World Yacht Race is the ultimate long distance challenge – a 35,000-mile circumnavigation of the globe, contested by amateur crews in identical racing yachts. The 2010 winner was 28-year-old Brendan Hall and his crew in *Spirit of Australia*. Although Brendan was the youngest and least experienced skipper in the race, the win was no accident – it was the culmination of years of training, skilled navigation and a leadership style way beyond his years.

His skills were soon put to the test – in the middle of a North Pacific hurricane, Brendan went to the rescue of a competing yacht and skippered both boats across one of the most feared oceans in the world. This brutally honest, no-holds-barred account is revealing and instructive, with valuable lessons in leadership and management – as well as never giving up. Thrown in quite literally at the deep end, he is pushed to the limit, and learns lessons you can only learn the hard way.
