Dracula - The Devil's Nosferatu: Volume 2 of the Glass Darkly Gothic Vampire Series William Gareth Evans

Until the nineteenth century, scant information existed concerning the ethereal species, known as Nosferatu, Vampire or the un-dead. These were the earliest of times in which modern man battled a very ancient enemy. Only distorted mythical accounts survived in East European and Celtic folklore that gave any clue to the existence of humanity's past battles with the preternatural creatures. Sparse methodology remained of the procedures employed to counter their attacks. This was the age of discovery for those few brave individuals that dared to confront the damned perpetrators of a hellish plague.
