Indivisible: Restoring Faith, Family, and Freedom Before It's Too Late James Robison, W. Richards Jay
Many books have been written on conservative politics. Many more have been written calling Christians to holiness and spiritual revival. Few, however, have managed to combine a clear explanation of the conservative political perspective with its corresponding personal and spiritual virtue.

In *Indivisible*, James Robison, the founder and president of LIFE Outreach International, partners with Jay W. Richards, Ph.D., a writer who has appeared in both *The New York Times* and *The Washington Post*. Together, they tackle tough, controversial political issues facing conservative Christians today, including abortion, stem cell research, education, economics, health care, the environment, judicial activism, marriage, and more. Written to appeal to a broad spectrum of believers, *Indivisible* not only argues political questions from a Scriptural standpoint, it also provides simple arguments that Christians can use to support their beliefs in public settings.
