It's the First Day of School...Forever! R. L. Stine

On the first day of school, Artie falls out of his bed and hits his head. Hard. He tells his mom he's dizzy and she says, "You're just worried about your first day in a new school."

At breakfast, his little brother, Eddie, splashes syrup in his hair, and there's no time to wash it. Artie has to go to school with syrup-hair. And then, on the way there, he gets splashed by a puddle that makes him look like he wet his pants. It's not just the first day of school; it's the worst day of school.

On the second day of school, Artie falls out of bed and hits his head. Hard. He tells his mom he's dizzy and she says, "You're just worried about your first day in a new school."

Huh? Today is just like the day before. Can Artie find a way to change it, before it's the first day of school...forever?

"A fast and goofy romp" (*Booklist*) that "delivers the hilarity and horror that readers love" (*School Library Journal*), from the master of children's horror, R.L. Stine.

From reader reviews:

Leslie Padilla:

The book *It's the First Day of School...Forever!* can give more knowledge and also the precise product information about everything you want. Why then must we leave the great thing like a book *It's the First Day of School...Forever!*? Some of you have a different opinion about reserve. But one aim which book can give many information for us. It is absolutely right. Right now, try to closer with your book. Knowledge or data that you take for that, it is possible to give for each other; you are able to share all of these. Book *It's the First Day of School...Forever!* has simple shape nevertheless, you know: it has great and large function for you. You can search the enormous world by open and read a book. So it is very wonderful.

Jessica Hodgkins:

Spent a free time and energy to be fun activity to accomplish! A lot of people spent their leisure time with their family, or their very own friends. Usually they carrying out activity like watching television, going to beach, or picnic inside park. They actually doing ditto every week. Do you feel it? Do you wish to something different to fill your own personal free time/ holiday? Could be reading a book can be option to fill your free of charge time/ holiday. The first thing you will ask may be what kinds of e-book that you should read. If you want to consider look for book, may be the e-book untitled *It's the First Day of School...Forever!* can be great book to read. May be it may be best activity to you.

Jimmy Hostetter:

The actual book *It's the First Day of School...Forever!* has a lot info on it. So when you read this book you can get a lot of gain. The book was published by the very famous author. This articles author makes some research prior to write this book. This particular book very easy to read you can find the point easily after reading this article book.

John Hagen:

This *It's the First Day of School...Forever!* is great reserve for you because the content which is full of information for you who also always deal with world and have to make decision every minute. This specific book reveal it information accurately using great manage word or we can state no rambling sentences within it. So if you are read the idea hurriedly you can have whole data in it. Doesn't mean it only gives you straight forward sentences but challenging core information with lovely delivering sentences. Having *It's the First Day of School...Forever!* in your hand like finding the world in your arm, data in it is not ridiculous 1. We can say that no guide that offer you world within ten or fifteen second right but this e-book already do that. So , this can be good reading book. Hey there Mr. and Mrs. hectic do you still doubt that will?
