Quigley's Christmas Adventure: Sequel of the movie hit Quigley (Quigley Adventures) William Byron Hillman

What if there were canine angels ready to perform the duties of a human angel? What if evil is about to swallow all the goodness living in a small town where greed suddenly rules the day? A toy factory staffed by autistic personnel is being forced to close. The devastation will end the annual Christmas parade and annual gift giving. It's unthinkable until heaven hears a prayer and sends Quigley and Thurmond, a hapless wingless angel to change a few minds. The story is much more than a legend, folk or fairy tale. The story weaves generously through the good and the weakness of the human mind, and it takes a heavenly dog to resolve the issues. It's an exciting fun; action filled ride. The main character is the star of the hit movie Quigley, a white Pomeranian! On his first divine journey in an extraordinary motion picture entitled Quigley, we watched the strange trouble-making Pomeranian get into all kinds of trauma and be forced to work his way out of each encounter on his own. The film became an international hit, sold over 4-million home video DVD's and still currently in the release around the globe. William Byron Hillman, the writer, producer and director of the first Quigley has written the sequel Quigley's Christmas Adventure as a book and soon to be produced motion picture, which will be released in late 2016.
