## **Shopping Malls of Heaven and the Meaning of Life** Saeed Kauser

A roadmap to gain entrance to Heaven and manual on how to live, Saeed Kauser gives readers of every faith and religion a more detailed description of heaven than has previously been available. If you believe in heaven, have you ever wondered what it will be like? Will it be a physical place or a spiritual one? Will there be houses in heaven? Will we eat and drink? Will we go shopping? Shopping Malls of Heaven provides precise answers to these and other questions. With the information Saeed Kauser has uncovered, he creates such a vivid picture of heaven that it has forever changed his own view of life. Being raised Muslim, Kauser has drawn from traditional and less well known Islamic sources as well as other Abrahamic religions- Judaism and Christianity- and even New Age beliefs and science. Although this knowledge has been available for over a thousand years, he never knew many of the details about the afterlife until he began delving deeper into the subject.
