David Hempstelle is a rising star in the world of Architectural design. He is known for his modern designs and dominant personality. Always in demand, his personal life has taken a back seat to his professional ambitions until recently when he is no longer satisfied with aging debutants and party girls. His unique tastes in sex have kept him from finding the right woman to fit into both his personal and professional life. His personal assistant, Amanda, has always been infallible where work is related, but she is also a prim and proper lady. Underneath that polished exterior, he senses a heat that could scorch them both. His desires play havoc on his mind as Amanda continues to taunt his senses with her incredible sensuality. Could she handle his wants in the bedroom as well as she does in the boardroom? Amanda has tried everything she can to relieve the sexual tension and heat that burns through her bloodstream every time her boss, David, walks into the room. Afraid of jeopardizing her position at the firm, Amanda has always kept a strictly business persona when dealing with clients and coworkers, alike. She stayed clear of the dreaded office romance and worked tirelessly to make certain that she was damn good at her job and that everyone there knew it. Her personal insecurities stay well hidden from those around her, but she can never escape her shyness. Will she ever be able to act on her desires? David's imagination gets the better of him and he starts to imagine just what Amanda could assist him with in a much more personal way. After tolerating too many sleepless nights spent dreaming of her, he can take it no more. He decides to take a chance, and see where it leads. Amanda is surprised at David's invitation, but can't ignore her own loneliness and they both break all the rules. David wants to teach Amanda a few things, but is Amanda ready to learn? This is a fictional story that contains light bondage, oral, anal and rough sex, self-pleasure and dominant play. So please enjoy!
