## **This Is Texas** Miroslav Sasek

Following the runaway bestsellers *This is New York* and *This is Paris*, Universe is pleased to reissue another title from M. Sasek's beloved and nostalgic children's travel series. Like the other Sasek classics, *This is Texas* is a facsimile edition of his original book that is still timely and current in every way. The stylish, charming illustrations, coupled with Sasek's witty, playful narrative, make the book a perfect souvenir that will delight both children and their parents, many of whom will remember it from their childhood. The brilliant, vibrant illustrations have been meticulously preserved, remaining true to his vision more than forty years later and, where applicable, facts have been updated for the twenty-first century, appearing on a "This is ... Today" page at the back of each book. In *This is Texas*, first published in 1967, M. Sasek rides high in the saddle, lassoing all the color and colossal span of Texas as he tours the state from Dallas, Houston, and Austin to the Alamo. From its cattle, coyotes, and cowboys to its oil wells, rodeo and rattlesnakes, everything in the biggest state is bigger than anywhere else.
