Viscera Gabriel Squailia

“*[Viscera]* is dark, weird, and wonderfully human, and **I cannot recommend it enough. It’s far and away the weirdest, most original thing you will read this year**, and Gabriel Squailia gives it heart that matches its entrails beat-for-beat.”

—*B&N Sci-Fi & Fantasy Blog*

The Gone-Away gods were real, once, and taller than towers.

But they’re long dead now, buried in the catacombs beneath the city of Eth, where their calcified organs radiate an eldritch power that calls out to anyone hardy enough to live in this cutthroat, war-torn land. Some survivors are human, while others are close enough, but all are struggling to carve out their lives in a world both unforgiving and wondrous. Darkly comic and viciously original, *Viscera* is an unforgettable journey through swords-and-sorcery fantasy where strangeness gleams from every nook and cranny.

Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a *New York Times* bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.

From reader reviews:

Theodore May:

As people who live in often the modest era should be update about what going on or info even knowledge to make these people keep up with the era which can be always change and advance. Some of you maybe will probably update themselves by examining books. It is a good choice for you but the problems coming to an individual is you don't know what one you should start with. This Viscera is our recommendation so you keep up with the world. Why, because book serves what you want and need in this era.

Michel Wilkerson:

Spent a free time for you to be fun activity to do! A lot of people spent their down time with their family, or their particular friends. Usually they undertaking activity like watching television, planning to beach, or picnic inside the park. They actually doing same task every week. Do you feel it? Do you want to something different to fill your personal free time/ holiday? Can be reading a book might be option to fill your free of charge time/ holiday. The first thing you will ask may be what kinds of publication that you should read. If you want to test look for book, may be the e-book untitled Viscera can be good book to read. May be it might be best activity to you.

James Mendoza:

Your reading sixth sense will not betray an individual, why because this Viscera publication written by well-known writer who knows well how to make book which might be understand by anyone who read the book. Written within good manner for you, dripping every ideas and composing skill only for eliminate your own personal hunger then you still doubt Viscera as good book not simply by the cover but also through the content. This is one publication that can break don't ascertain book by its protect, so do you still needing yet another sixth sense to pick this specific!? Oh come on your studying sixth sense already said so why you have to listening to an additional sixth sense.

James Scott:

A lot of reserve has printed but it differs from the others. You can get it by net on social media. You can choose the best book for you, science, witty, novel, or whatever by means of searching from it. It is referred to as of book Viscera. You can add your knowledge by it. Without leaving the printed book, it can add your knowledge and make you actually happier to read. It is most important that, you must aware about reserve. It can bring you from one location to other place.
