David Carnegie

Webster: The Duchess of Malfi (Shakespeare Handbooks) David Carnegie

The Duchess of Malfi is generally regarded as John Webster's finest play, a masterpiece of tragic depth and emotional complexity. The conflict between private love and public political behaviour for a passionate but circumscribed woman is as theatrically pertinent now as when first performed. This timely Handbook:

- examines the play's sources and its cultural context
- offers a detailed theatrical commentary that aids visualisation of the underlying dynamics and structure of the play in performance, and explores performance possibilities
- analyses influential productions on stage and screen, from when it was first performed by the actors of Shakespeare's theatre company, the King's Men, to the present day
- presents key critical debates and assessments of *The Duchess of Malfi*.
