NORTHERN LIGHTS TRILOGY BOOK TWO

Back in the city with funds and friends
but Peter Arnett is still on the hook.

Helpless before the deterioration of his mother's
health and holding down an honest job while
entertaining the schemes of others is quite enough
to be getting along with without KI Carl Madsen's
attempts to connect him to the two Island robberies.

Speaking of Østjyllands Police, how much longer
can Stine keep playing both sides before she falls
under suspicion herself? If he were a betting man,
Peter wouldn't bet against his partner in crime
taking steps to keep him from spending any
quality time in Madsen's interrogation room.

And whoever said that nothing screws up
a successful escape like your own past must
not have encountered many local gangsters.
