Homestead Survival Hacks: How to Live on Your Own Without Depending on Anyone Amy Lambert
You may not realize it, but you probably rely pretty heavily on other people just to live your life. For many people, reliance on others for things like food, clothes, and medicine is not a problem but some people want to strike out on their own and become self-reliant. If you are one of those, you might consider homesteading as an option. If you are curious to learn more about homesteading, this book is the perfect place for you to start. In this book you will receive the following: • An introduction to the concept of homesteading • Tips for raising/growing your own food • Food storage and preservation tips • Natural remedies and basic medical tips The information in this book is designed to serve as an introduction to homesteading and to help you get started with it, if that is the path you choose.
