**INTERNATIONAL INCOME TAXATION: Code and Regulations--Selected Sections (2015-2016 Edition W/CD)** Robert J. Peroni, Coordinating Editor, Richard C. Pugh, Contributing Editor, Charles H. Gustafson

Compiled by a team of distinguished law professors, the 2015-2016 edition of INTERNATIONAL INCOME TAXATION: Code and Regulations--Selected Sections serves both students and practitioners in accessing the laws and regulations for U.S. international tax. For students, the INTERNATIONAL INCOME TAXATION: Code and Regulations--Selected Sections is a popular companion to an international tax coursebook for use in undergraduate or graduate courses in law and business schools. For practitioners, the book is an exclusive convenient desk reference. Unlike the full multi-volume Internal Revenue Code and Income Tax Regulations, this single-volume reference travels well between home and office -- and between classroom and dorm. The book features a reader-friendly large 7-1/4" x 10" format with new larger type fonts for enhanced readability. Includes CD of entire contents of book. In this comprehensive and easy-to-use volume, Professors Richard C. Pugh, Charles H. Gustafson, and Robert J. Peroni have selected provisions of the Internal Revenue Code and Income Tax Regulations directly related to the U.S. taxation of foreign entities and the U.S. taxation of domestic entities that have income from sources outside the country. Code and Regulations sections included are those deemed to be essential to International Tax teachers, students and practitioners. The 2015-2016 edition of INTERNATIONAL INCOME TAXATION: Code and Regulations--Selected Sections reflects all legislation and regulations enacted or adopted on or before June 1, 2015.
