The Anglican Way: A Guidebook Thomas McKenzie

The Anglican Way is a guidebook for anyone interested in following Jesus as an Anglican Christian. Written for both the newcomer and the person who wants to go deeper, this book answers hundreds of questions about history, theology, worship, and more. Learn about this ancient but fast-growing branch of the Body of Christ. Let this guide help you as you walk the Anglican Way.

A Methodist pastor, Reverend Robert Pelfrey, wrote this about the book. We think he sums it up well:

The best thing about *The Anglican Way* is how it covers a broad sweep of life in the Anglican Way without sacrificing the depth that should naturally come with a book about Christian living (though, tragically, all too often does not). Are there books that cover more Anglican history and theology? Yes. Are there books that include more Anglican prayers and liturgy? Of course. Are there books that more completely discuss the particularities and intricacies of the Anglican tradition? Perhaps (though not many).

But is there any book anywhere that covers all of these things -- Anglican history, theology, distinctives, prayers and liturgies, and many other aspects of the balance and complexities of the Anglican Way -- all in one winsome, personal, and very practical volume? I feel sure in saying that there is not.

The Anglican Way is a book born of passion and a lifetime of devotion. McKenzie is obviously both highly knowledgeable of, and deeply committed to his subject matter. Other traditions would do well to have such a voice. Regardless of one's background or denominational affiliation, there is much here that is instructional...and inspirational.

More Praise for The Anglican Way

"The Anglican Way is an immensely helpful introduction to Anglicanism. By contrasting the seeming polarities, Thomas McKenzie helps readers to understand the richness -- and the seeming contradictions -- of this extraordinary Way of being a Christian. The writing is practical and accessible and the fruit of significant pastoral engagement."

- The Most Reverend Robert Duncan, Archbishop of the Anglican Church in North America

"At a time when a great many people are discovering the Anglican way of Christian discipleship, there is a tremendous need for resources that lay out what this involves. Thomas McKenzie offers just that in this excellent introduction. He supplies us with a clear overview that provides the newcomer to Anglicanism and the experienced practitioner with numerous valuable insights. I am therefore delighted to commend *The Anglican Way* warmly."

- The Very Reverend Dr. Justyn Terry, Dean and President of Trinity School for Ministry

"The Anglican way of worshipping God and following Jesus is beautiful and effective. But some guidance is needed along the first steps on that way. In *The Anglican Way*, Thomas McKenzie is a reliable and relatable guide. I commend *The Anglican Way* to all those who are exploring an Anglican Church."

- The Right Reverend Todd Hunter, Bishop of the Diocese of Churches for the Sake of Others
