Radical formula transforms your money and spiritual growth into global change

The Awakened Millionaire is a practical manifesto guiding you to new dimensions of personal wealth, spiritual growth, and as a result, global transformation. Crafted by Dr. Joe Vitale, a famed millionaire, best-selling author, and star of the blockbuster movie *The Secret*, you'll discover a controversial formula that accomplishes what few believe possible: combining money and spirituality together to bring you more of both, while transforming you into a force for good in a world that desperately needs it. This audiobook is a call to action, pushing you to wake up, stand up, and transform yourself into a powerful expression of your passion, your wealth, and your desire to make a difference. It is an invitation to become a true Awakened Millionaire, starting today.

While most consider money and spirituality a blasphemous duo, Dr. Vitale shatters these social norms and shows you the true nature of money empowered with soulful purpose. At turns inspirational, motivational, and conversational, this page-turner ultimately narrows in on practical steps anyone can use to see instantaneous results, regardless of your past failures, current financial situation, or future goals. But his mission is not to simply transform you. Dr. Vitale's mission is to create a swarm of Awakened Millionaires transforming the world with every action they take, while enjoying personal luxury and soulful fulfillment new levels of money and spiritual growth can give them. The book reveals:

- How to turn your passion into wealth
- How to transform money into a spiritual tool
- How to create a soulful mission that changes the world

If you desire both wealth and spirituality, this audiobook finally reveals how.
