The Feminine Soul

Chana Weisberg

The Feminine Soul Chana Weisberg

Man combats the evil of the world; woman mends the world with the thread of harmony, nurturing the glimmer of G-dliness that is latent in all of creation.

Man challenges new frontier; woman cultivates these terrains.

Man leads; woman develops.

Man is outer; woman is inner.

Man projects strength; woman the secret of life's mission.

The Feminine Soul examines the true strength of women and their uniquely feminine soul powers. It offers insight into the feminine cycles of birth and pregnancy, and demystifies ancient feminine imagery found in Kabbalah.

Its pages uncover a deeper perspective of the inner dynamics of women's special mitzvot and how these mitzvot hold the keys to unlocking the gates of potential and reveal the cosmic redemptive state for all mankind.
